

## Helping people get around

The Sole Bay Care Fund (SBCF), The Voluntary Help Centre (VHC) and Halesworth Community Transport (HACT) work together to provide the Sole Bay Community Bus Service serving Southwold and Reydon connecting them to the Sole Bay Health Centre, town centre and other local amenities. It is driven by friendly and helpful volunteer drivers from local communities.

The Sole Bay Community Bus Route is served by a 14 seat minibus. Passengers pay a fare or use a concessionary bus pass and can hail the bus anywhere along the route. If necessary, drivers can use their own discretion to divert off the main route for a short distance or to take those with impaired mobility closer to their door.

The Sole Bay Community Bus Service runs weekdays and Saturday mornings from 9:45am to 11:45am and weekday afternoons from 1:45pm to 3:35pm. This timetable applies from 1st May to 30th September so please check the Winter timetable for October to April. There is no service on a Tuesday.

The Solebay Community Bus is run on a non-profit making basis by SBCF, VHC and HACT, working together to support our community.

### **Be a volunteer bus driver and give something back to your community.**

Volunteering doesn't mean you have to give up a whole week or even a whole day to drive our bus. The amount of time you offer is up to you.

SBCB is a non-profit making project relying on our bus fares and local sponsorship to maintain our service.

We are always in need of new drivers to complement our existing team. We would be interested to hear from anyone whether they are in full or part-time employment or retired who want to contribute to our community by helping with this valuable service. All you need is to be over 25 and under 80 with a D1 on your driving licence. We will do the rest.

We train you free of charge which then enables you to drive under a MIDAS qualification.

For more information call or visit our office any weekday morning.
